

## **Author Agreement**

---

**Journal:** *MEDICC Review, International Journal of Cuban Health & Medicine*

**Manuscript title:**

---

Pursuant to the terms of this agreement, the undersigned author(s) (collectively called hereinafter “Author”) transfers and assigns to *MEDICC Review* (“the Journal”), all rights, title and interest in the copyright of the work identified above (“Work”), together with all of the exclusive rights comprised in such copyright and remedies as afforded by law.

This transfer must be signed by all Authors of the Work in the event that there is more than one Author.

All Authors must conform to the definition of Author set forth in the Journal’s [Definitions of Author and Contributor](#).

**Open Access:** Author is hereby informed that *MEDICC Review* online (ISSN 1527-3172) is an Open Access publication, which permits users of the Journal, without charge, to access, copy, use, distribute, transmit and display the material found in *MEDICC Review* for noncommercial purposes, and to make and distribute derivative works, subject to proper attribution of authorship (including the original copyright notice). The full terms of the Creative Commons License for Open Access are available at: <http://www.medicc.org/mediccreview/index.php?issue=&id=30&a=vp>

**License to Author:** Since *MEDICC Review* is an Open Access publication as defined above, notwithstanding the transfer of the work’s copyright to *MEDICC Review*, the Author is entitled to all of the rights granted by the Open Access license. However, Author may not distribute copies of the Work or make and distribute derivative works until after the Work has been published by the Journal. In any subsequent use of the Work, Author shall make proper attribution to the Journal as provided in the Open Access license.

**Credit:** Each Author will receive credit as author of the work when it is published in the Journal; the form and placement of the credit to be determined by the Journal. Author grants the right to the Journal to use his or her name, likeness, biographical information, and professional affiliations in connection with the publication and promotion of the work and the Journal.

**Author’s Duties:** If the Work contains copyrighted material not owned by Author, then Author shall obtain written permission from the copyright owner, in a form acceptable to the Journal, to include such copyrighted material in the Work and to reprint it in the Journal, and shall deliver such written permission to the Journal, together with delivery of the manuscript of the Work. If the Work acknowledges contributors, then Author shall obtain written permission from each contributor to include such acknowledgement in the Work. In the event that the manuscript is approved for publication, Author agrees to respond, personally or through a designated representative, with approval of the edited translation (and any necessary corrections) within 48 hours of notification. Absent such response, decisions regarding publication reside with *MEDICC Review* editors.

**Warranties:** Author warrants and represents that (a) the Work has not been previously published in any language, is not in the public domain, and is the original work of the Author; (b) Author is the owner of all right, title and interest of every kind in and to the copyright of the Work, and has the full power and authority to transfer and assign the copyright to the Journal; (c) the work does not infringe the copyright or any other proprietary right of any party; (d) the Work contains no material that is defamatory, violates any right of privacy, or is otherwise contrary to law; and **Author has obtained written permission from Contributors or any person listed by name under the Work’s “Acknowledgments.”**

**No Conflict of Interest:** Author declares that there is no real, potential or potentially perceived conflict of interest that could result in bias in the publication of this article. Alternately, Author discloses the following conflict of interest: (use separate sheet if necessary).

**Declaration of Transparency (if applicable):** Author declares that the manuscript is an honest, exact and transparent description of the study reported, that no important aspect of the study has been omitted and that any discrepancy from the initial planning of the study or its registration has been appropriately explained.

By signing this agreement in the space below, Author and **MEDICC Review** agree to the terms set out above.

**NOTE: MEDICC Review** recommends that all authors sign their agreement. If this is not possible for logistical reasons, the CORRESPONDING AUTHOR must check the authorization box below, and assume full responsibility for the article. Authors' individual contributions must be indicated whether or not they sign.

I certify that I have consulted all the authors of the article submitted to **MEDICC Review**, and have obtained their authorization to sign this agreement on their behalf.
